DEFENDANTS

ORDER

Defendants' motion to consolidate *Westbrook v. City of West Memphis*, No. 3:05CV00093 SWW, with this case is DENIED. The Court previously consolidated three other cases with the captioned matter because those cases involve the same issues of alleged racial discrimination arising out of the same occurrences. Case No. 3:05CV00093 involves allegations of sex discrimination rather than race discrimination and apparently is based on different occurrences. In view of the fact that the present case, now consolidated with three others, involves several plaintiffs, all of whom allege racial discrimination and all of whom rely on the same set of occurrences, it would unduly complicate this litigation to consolidate that case with this one. Therefore, the motion to consolidate is DENIED.

IT IS SO ORDERED this 19th day of July, 2005.
